## SCHEDULE OF EVENTS

### FRIDAY MAY 27

#### All Day

A1 6:15 am **JARMO'S BIG BACKYARD** – Jarmo Jalava ☆  
Sky Lake and Red Bay areas host rich bird and botanical habitats. The outing will include a 3.5 km hike through a coastal migration hotspot, and a little "Big Sit" on the deck of Jarmo's home, which should yield great views of some Bruce Peninsula avian specialties. (*moderate*, 🚗, *bring lunch*) (limit 16)

A2 6:30 am **MALCOLM BLUFF & CAPE CROKER** – Alfred Raab  
Bird in the deep interior-forest tract of Malcolm Bluff Shores Nature Reserve and the Neyaashiinigiing territory on the Cape Croker peninsula. These areas have yielded some special finds in past years and the Escarpment bluffs provide spectacular vistas. (*moderate*, 🚗, *bring lunch*) (limit 20)

A3 6:45 am **BIRDING THE BRUCE WITH BENSETTE** – Jeremy Bensette  
Jeremy is Ontario's Big Year record holder and a popular tour guide. Join him in his quest for the abundant birds of the Bruce. Locations may include Isaac Lake, Oliphant wetlands, Red Bay, Sauble Beach and the Ferndale Flats. (*easy*, 🚗, *bring lunch*) (limit 20)

A4 7:00 am **BIRDING & BOTANIZING FOREST & GLEN** – Elaine Van Den Kieboom / Bob Gray  
Join our leaders for this nature ramble through two Grey Sauble Conservation properties. Ferns, flowers, forest birds and geology will be featured as we explore these sections of the Niagara Escarpment. (*difficult*, 🚗, *bring lunch*) (limit 20)

#### Morning

A5 6:00 - 8:30 am **SEX & THE SINGLE WARBLER 1** – Mark Wiercinski  
Warblers have two priorities at this time of the year... breeding (sex) and moving (migration). Mark will entertain and inform us on these bird activities. (*easy*) (limit 13)

A6 6:30 am **KINCARDINE LAGOONS aka "PELEE NORTH"** – James Turland  
Local birders affectionately refer to the Kincardine Lagoons as "Peele North" because of the often-spectacular fallouts of warblers. A favourite local leader, this is one of James' favorite birding areas. (*easy*, 🚗) (limit 20)

A7 7:30 am **MAGICAL MacGREGOR** – Tim Arthur  
Tim's fieldwork with Birds Canada includes several sites within MacGregor Point. We'll wander the Park's woods and wetlands looking for late migrants and birds on territory. (*moderate*, 🚗) (limit 16)

A8 9:00 am **SEX & THE SINGLE WARBLER 2** – Mark Wiercinski  
Warblers have two priorities at this time of the year... breeding (sex) and moving (migration). Mark will entertain and inform us on these bird activities. (*easy*) (limit 13)

### *Afternoon*

A9 1:30 pm **BIRD & BOTANY RAMBLE** – Terry Crabe  
Enjoy the riches of the MacGregor Point landscape as seen through the eyes of an experienced Park Ecologist. Terry will take you on a leisurely hike through his favorite places in the Park.  
(*easy*, 🚶) (limit 20)

A10 1:30 pm **MAGICAL MacGREGOR** – Tim Arthur

A11 1:30 pm **FEN & FRINGE** – David Turner  
The abundant avifauna and flora of the Lake Huron shoreline are featured during this walk from the Visitor Centre. David is an avid birder and botanist and an enthusiastic leader. (*easy*) (limit 16)

### *Evening*

A12 7:15 pm **SPECULATING ON SPARROWS** – Fred Jazvac  
How to identify a sparrow before you see it. The commoners, the migrants and those difficult "LBJs". Fred is a master teacher who will share his strategies for identifying this confusing family. (*indoor presentation*)

A13 9:00 pm **AFTER DARK IN THE PARK WITH MARK** – Mark Wiercinski  
Nocturnal adaptations are required to rule the night. From owls to crickets to fireflies, we'll learn how these creatures are able to thrive when darkness descends. (*easy*, 🚶) (limit 20)

## **SATURDAY MAY 28**

### *All Day*

A14 6:45 am **BIRDS OF THE BRUCE** – Tim Arthur  
Tim birded much of Ontario in 2017 and holds one of the top records for birds seen in one year. He will take you on a tour of some of his favorite and most productive 'big year' birding spots in the Bruce.  
(*easy*, 🚶, *bring lunch*) (limit 20)

A15 7:00 am **MALCOLM BLUFF TO HURON SHORES** – Mike Burrell  
Join Mike for an exciting day of birding and explore his favourite hotspots around the lower peninsula. During this hike you will feel Mike's infectious enthusiasm for the world of birds.  
(*moderate*, 🚶, *bring lunch*) (limit 20)

A16 7:15 am **THE BOUNTIFUL BRUCE** – Jeremy Bensette  
Jeremy birded the entire province during his record-breaking Big Year and is ready to revisit some of the birding hotspots in this area. Join Jere in his never-ending pursuit of the bountiful birds of the Bruce.  
(*easy*, 🚶, *bring lunch*) (limit 20)

### *Morning*

6:15 am - 10:15 am **BIRD BANDING** – David Brewer 🦋  
This drop-in event is a great opportunity to see birds up close. A bird in the hand is worth two in the bush. Watch as Master Bander David collects birds from mist nets, records data and explains the benefits of bird banding.

A17 6:00 - 8:30 am **A SONG IN THE AIR 1** – Emily Rondel

Although many call the pastime bird 'watching', it is as much about listening as looking! We'll take a ramble 'round MacGregor and decipher the bird songs we hear. We may even do some mock "point counts", to get your ears tuned up for the Ontario Breeding Bird Atlas! (*easy*) (limit 13)

A18 6:15 am **BETTER LIVING THROUGH BIRDS** – Mark Wiercinski

Birds make everything better, from the common backyard variety to the rarest of species. Mark gives us a fun biological spin on things - interesting behaviours, cool adaptations and just good ecology.

(*easy*) (limit 16)

11:00 am **QUEST NATURE TOURS**  
Over lunch break and into the early afternoon check out Quest's display at the Visitor Centre.

### **Afternoon**

B41 1:30 pm **SHRUB & TREE ID** – Jim Coles  
If a tree falls in the forest, can anybody identify it? Using leaf and twig identification keys we'll learn to identify coniferous and deciduous species. (*easy*) (limit 20)

B42 1:30 pm **BIRD & BOTANY RAMBLE** – Ian Shanahan  
Ian will guide a leisurely walk along the Tower Trail to the Ducks Unlimited wetland. Birders and botanists will enjoy the riches of the MacGregor Point landscape as seen through the eyes of an experienced naturalist. (*easy, 🚗*) (limit 16)

## Evening

### B43 7:00 pm **BUILDING A BETTER BIRD BOX** – Marshall Byle

Marshall will present an entertaining and scientific approach to birdhouse design. Find out how and where boxes should be mounted to increase the survival rate for cavity nesters. Participants will receive plans and learn what materials should be used for Eastern Bluebird and Tree Swallow boxes.

*(indoor presentation)*

### B44 8:00 pm **SUNSET WALK** – Chris Tomsett

End your Festival experience with a leisurely stroll along the shore of Lake Huron with MacGregor's former Park Superintendent. Discover the sights and sounds of an early June evening in MacGregor Point Provincial Park. *(easy)* (limit 20)

## FIELD TRIP INFORMATION

- **Sturdy footwear** and **drinking water** are required for all outings.
- **Black-legged Ticks** carrying Lyme Disease have been found in Bruce County. Be tick savvy.
