

## REGISTRATION INSTRUCTIONS

**PLEASE NOTE: Waivers will be pre-printed using the personal information in each registration. This is a legal document and each attendee's personal information must be correct.**

**Step 1. PERSONAL INFORMATION FOR FIRST ATTENDEE:** The email and address / phone number will auto-filled based on the *account holder's* account information. Complete the blank fields, select yes/no for email updates and *change the email, address, phone numbers and age category if applicable*. If you only have a cell phone #, enter it in both phone fields. Cell phone numbers are important so that we can reach you during the Festival.

- Click the red SAVE CHANGES button to save the personal information. The attendee name will show in a summary table as “unsubmitted” under **Status**. The other columns will change once events are added.
- Do NOT add additional attendees at this point.

**Step 2. SELECTING EVENTS FOR FIRST ATTENDEE:** Click the word **[edit]** near the attendee name to open the registration so that events can be selected.

- Scroll down the page to the desired red date bar for each day of the Festival to view the events for that day. Click on the box next to the event title to select an event. As events are selected, the single event fees will be tallied in the Price Summary; the appropriate package rate is applied automatically when applicable. Additional or Special event fees (per person for certain events) will be shown separately. To learn more about a leader, click on the leader name in the event description.
- Once all events have been selected, click SAVE CHANGES to update the registration. The attendee registration line will now show the **Package** (if applicable), **Total** (owing) and **Status**.

### Step 3. ADDING MORE ATTENDEES TO THE ACCOUNT:

If there are no more attendees to add, proceed to Step 4.

**Please Note: If there will be multiple attendees in one account with different addresses, registration may be more efficient/faster if one person from each household creates their own account and registers their attendees.**

- To add an attendee who will have the same (or mostly the same) events as an existing attendee:**  
Click the burgundy “pages” (DUPLICATE REGISTRATION) icon under **Actions** for the attendee whose unsubmitted registration is to be copied. This will auto-fill the email and personal information of the copied registration. *Enter the name of the new attendee, select yes/no consent for emailed Festival updates and change the email, address and phone numbers if the attendee does not reside in the same household as the copied registration. Also fill in the emergency contact information, new/repeat attendee field and edit the age category if appropriate.* Click SAVE CHANGES to save the new registration. The new attendee registration will now show in the summary table with the same Total (and will contain the same events) as the registration that was copied.
- If desired, click **[edit]** to open the (duplicated) registration and add/delete events. Click SAVE CHANGES to update the registration. Any changes made that impact the number of events or eligible package & pricing will be reflected in the registration summary line.
- Repeat the duplicate registration process if desired for additional attendees with the same events.

- To create a completely new registration and select events:**  
Click the red ADD ANOTHER ATTENDEE button and complete steps 1 & 2 again. Again, please change the new attendee personal information if not in the same household.
- Changes can be made to any unsubmitted registration:**  
Click **[edit]** to open the registration, then add/delete events or edit any of the fields and click SAVE CHANGES to update the registration.  
Event lists for multiple registrations can be displayed simultaneously by clicking the

**Actions** “View Registration” down arrow icon for all desired attendees.  
*It is recommended that you view your selected events prior to submitting the registration(s).*

#### Step 4. SUBMITTING REGISTRATION(S):

If one of your selected events fills while you are processing your payment, that event will be removed from your registration.

#### EVENTS WILL NOT BE RESERVED UNTIL PAYMENT IS RECEIVED.

- Click the SUBMIT ALL & PROCEED TO CHECKOUT button to submit all of the registrations in the account. If you wish to submit only one of the registrations at this time, click the right-facing arrow “Submit Registration” icon under **Actions** beside the desired registration.
